ITEM IX BOARD FORUM

Mr. Adamkowski indicated that he participated in the 8th grade student interviews, as he has done for the past few years. He noted a great deal of growth in students over the years. This year, students were asked to give their feedback. He found some of the student feedback to be interesting (e.g., students wanted more information about the interviewer prior to the interview). He recommends that we continue to work on people skills with students.

Mr. Brewer noted that the ability to watch two different athletic events at the same time on our fields is incredible.

Mr. Brewer asked about possible changes to athletic sign-ups and use of time in response to the concerns he raised in the fall. Mrs. Group noted that she will be working with Mr. Thomas on the format.

Mr. Brewer was also impressed with some National Honor Society students who recently raked leaves in Sherrill for those in need.

Mr. Grover shared that a Sherrill 8 year old student is concerned with the use of Styrofoam in his building. Mr. Wixson noted that he is currently working with the Food Service Department on eliminating Styrofoam and plastic silverware.

Mr. Wixson then shared videos from the Vernon and Middle School buildings in honor of School Board Recognition. Board Members were also presented with cards from Central Office and Sherrill Elementary and enjoyed a poster made by the Verona students.
