**ITEM IX BOARD FORUM**

Mrs. Palmer thanked Mrs. Group, Mr. Wixson, & Mr. Brown for their unwavering leadership during the crisis, including the daily updates that are reassuring and calming. Mr. Wixson's work with the Transportation, Facilities, & Technology teams and Mr. Brown's work with teachers and planning for curriculum delivery have been amazing. All comments from the community have been supportive. The rest of the administration is keeping the train on the track; food service and transportation are delivering meals; buildings & grounds are going in behind staff ~ all efforts are over the top and she gets choked up thinking about it. Others echoed her comments.
